Sentencing youth to life abomination

Tyler Edmonds needs to be free ("Case raises questions about interrogating juveniles," Nov. 6).

Putting a 7th-grade child in prison for life is an abomination. There was no evidence to convict this boy of any crime.

What are people thinking? Please make this right. God is watching.

Our society has completely broken down when we are doing this sort of thing to our children.

Pamela Kulig
St. Charles, Ill.
