My name is Bess Butler and I live in Columbus. I wrote once before about Tyler Edmonds. Since Mr. Forrest Allgood's statement or primate chest beating, I find myself more confused than ever. He stated that it was a trial without errors. Does this deem the DA's office, Judge Kitchens and everyone affiliated with this trial was perfect? I am so on the wrong page, because it is a strong belief of mine that there are no "perfect" anythings. As all people have flaws,so is the endeavor they enter into. In Mr.Allgood's statement, Ms. Cash's letter again not one single word was spoken, not even by the victim's mother, about Kristie Fulgham, the single person that stands to gain from this. I guess this would be the perfection Mr Allgood made reference to.

If I am wrong,please correct me but was it not she and Joey Fulgham on Montel Williams,a few months prior to this murder,on an episode of cheating spouses,in wich she was doing the cheating? Was Tyler Edmonds hiding somewhere then? My question to you, is there a web site that we can go to ,to see a copy of this "perfect trial," because I really need to see this for myself, being it will be my first view of anything perfect. I will close with a congratulations to Mr.Allgood,for the perfect world he lives in. May "IT" serve you justice as you served Tyler Edmonds justice. You know him,the "Cold Blooded 13 year old killer." All I can say is God help us all, if this is justice to a child!
